

- Precision Machining (OEM)
- Prototype - Short Run - Long Production
- Milling and Turning
- Multi Axis
- EDM and Wire Cut

*The Right Precision*

Aerospace - Medical - Helicopter Modeling - Automotive

### About Us

TDK Machining Viet Nam was founded in 2010 - Viet Nam. Is a manufacturer of high precision and tight tolerance parts (OEM's company).

We embrace the very latest machining and inspection technologies and stand ready to meet all of our customers' most stringent requirements. Our continuous improvements and technological advancements in every aspect of our business help us achieve lower lead times with unmatched quality, while remaining cost effective.

### Our Service

- Precision Machining (OEM).
- Prototype - Short Run - Long Production.
- Milling and Turning.
- Multi Axis.
- EDM and Wire Cut.

### Our Quality Control System

Operating and administration quality by ISO 9001:2015

### Materials

We have nearly 10 years experience with a variety of materials including metals, such as, Aluminum, Numerous Low Carbon Alloys, Tool Steels, Stainless Steels (300, 400, 13-8, 15-5, 17-4 Precipitation Hardening Grades), Plastic. We also have extensive experience with metals such as Titanium, Maraging Steel, Nickel Alloys, Tungsten, and Copper/Bronze Alloys.

### Our Quality Policy

Is committed to quality performance, on time delivery and long term continuous improvement to all of our products and processes. Our goal is to meet customer expectations and satisfactions.

### Contact Us

Address: #21 Pham Van Sang - Xuan Thoi Thuong ward, Hoc Mon dist, Ho Chi Minh city, Viet Nam  
Phone: (+8428) 7109.8080 - Hotline: (+84)90.148.80.80 (24/7)

### Capacities

#### Manufacturing

Total square are 1.000m2 with more 30 employees (20 machinist, 04 quality controler, 5 for manager, technical, office, shipper and other...)

With nearly 20 different machines at our disposal, we will help provide the perfect solutions for your CNC machining needs.

#### Vertical Milling Machine (10+)

- 01 Milling Center 5 Axis Enshu E130 - Travel 300x300x500mm
- 01 Milling Machine 4 Axis Moriseiki Junior : Travel 600x400x500mm
- 01 Milling Machine 3 Axis Moriseiki SV503: Travel 800x500x500mm
- 02 Milling Machine 3 Axis Haas VF-4: Travel 1,270x550x500mm
- 01 Milling Machine Fancu Robodrill: Travel 700x400x350mm
- 01 Milling Machine Makino MSA40: Travel 600x400x450mm
- 01 Milling Machine Mitsubishi MV4B: Travel 600x400x450mm
- 01 Milling Machine Enshu 450Fv: Travel 800x400x500mm

#### Turning Machine (03+)

- 02 CNC Turning Machine Takamaz EX10 - Travel 250mmx300mm
- 01 CNC Turning Machine Tsugami Nu4Y-II (5 axis) - Travel 250mm

#### Quality Measurement

01 CMM Mitutoyo BRT40, Travel 700x700x450mm, 01 VMM,  
02 Profile Projectors, 01 Rockwell hardness tasters,  
02 Granite Plates, 04 Height gages, 02 Surface gages,  
Many of Calipers, Micrometers, Thread Plug, Ring gages, Pin..

#### Software Used

MS Office, Autocad 2015, Mastercam X version, Cosmos V3.0
